

Amazon Smile and Fred Meyer Community Rewards Programs Support for Engine 557

We participate in two programs in which retailers give charitable contributions for the restoration of Engine 557 whenever 557 supporters make a purchase. There is no cost to you.

Amazon Smile

Amazon will contribute .5% of most sales when purchases are made through Amazon Smile. A visit to "<https://smile.amazon.com/ch/46-2663256>" will automatically link your purchases to the Engine 557 Restoration Company. For subsequent Amazon purchases, log in through smile.amazon.com instead of the regular Amazon address and your purchase will be automatically linked.

Fred Meyer's Community Rewards Program.

557 supporters in Alaska, Idaho, Oregon, and Washington help us to receive support from the Fred Meyer's Community Rewards Program. By linking your Rewards Card to 557, whenever you use your Card when shopping at Freddy's, you will help 557 earn a donation. Go to www.fredmeyer.com/communityrewards and select "Engine 557 Restoration Company" at "Re-enroll or link your Rewards Card now."

Please designate Engine 557 as your chosen organization with these businesses.
